FY 2012

Dear Valued Customer,

We are proud to present the annual Maryland Correctional Enterprises (MCE) catalog; a comprehensive listing of our quality products and services. As you know, our market consists of all government agencies, state contractors, and non-profit organizations. This catalog is designed with you, our customer in mind, and offers an easy to use method to select and purchase those items necessary to compliment your office, work area, or any business need.

As the prison industry arm of the Maryland Division of Correction (DOC), MCE provides inmates with much needed work skills and work ethics. Educational requirements and the skills learned in our program improve employability upon release. This statistically reduces the likelihood that ex-offenders with MCE experience will return to the prison system.

In order to maintain our self-supporting status and increase the amount of training offered to our offender population, MCE is dedicated to manufacturing superior products at affordable prices while providing excellent customer service. Our product line varies widely to meet a full range of business requirements such as furniture for offices, reception areas, libraries, dorms, lounges, and outdoor settings. MCE products and services also consist of: furniture restoration, food products, printing/signage, office supplies, apparel, cleaning products, mailing and distribution, data entry, warehousing, moving, laundry, printing and agriculture. Our Account and Customer Service Representatives are available to discuss your needs, while our in-house Design and Installation Team helps with the layout, design, and set-up of your furniture purchases.

Browse MCE's catalog with ease in hardcopy format or visit our e-commerce website at www.mce.md.gov. Orders can also be placed by phone, fax, or email and we offer a variety of payment methods. Sample upholstery, panel, apparel fabric colors and wood chip samples are found online, or physical samples can be delivered upon request.

Your continued support of Maryland's premier rehabilitative program is greatly appreciated. We look forward to providing you with the highest quality goods and services and excellent customer satisfaction. To better serve the needs and fulfill the expectations of our customers, your recommendations are not only valued, but important in making the MCE catalog more user friendly. Please feel free to contact our Marketing Department online or your Account Representative with any suggestions.

Thanks again for you patronage. Always let us know whenever we can be of service.

Sincerely,

Stephen M. Shiloh, CCE
Chief Executive Officer
